PORT WARATAH
COAL SERVICES

Looking to start a hands-on career with real opportunities to grow?

Programmed Apprenticeships & Traineeships, in partnership with **Port Waratah Coal Services**, are looking for the next generation of Electrical and Mechanical apprentices to join their **2027 Apprenticeship Programme** commencing in January 2027.

As the world's largest coal export terminal and a key part of the Hunter Valley Coal Chain, **Port Waratah** offers the opportunity to develop highly sought-after trade skills while working with industry-leading equipment and technology in a supportive team-based environment.

This fully funded four-year apprenticeship provides nationally recognised qualifications, hands-on experience, and the opportunity to build a long-term career with one of Australia's leading industrial employers.

Why choose an Apprenticeship at Port Waratah?

- **Safety and Wellbeing Comes First** – At Port Waratah, our people are our priority. Guided by our core value of Caring, we are committed to providing a safe and supportive workplace where apprentices can learn, develop and succeed.
- **Work in Australia's highest-paying industry** – Competitive salary along with access to performance and bonus opportunities.
- **Receive Industry-Leading Training** – Obtain additional licenses, tickets and certifications valued at more than \$20,000, helping you develop a competitive skillset for your future career.

OTHER BENEFITS INCLUDE

- 4-day work week – more time for study, family, friends, sport and personal interests
- Professional trade toolkit valued at \$2,000+
- Access to gym, group fitness, sauna and recovery facilities to support your health and wellbeing
- Hands-on experience with some of Newcastle's largest and most advanced machinery across diverse industrial and project environments
- Start with an 18-week Mining & Energy Skills Program in Muswellbrook, with accommodation provided
- Ongoing support from experienced tradespeople, leaders and fellow apprentices invested in your success

INHERENT REQUIREMENTS

- Be an Australian Citizen or Permanent Resident
- Hold a current driver's licence, or be willing to obtain one in 2027
- Completion of Year 10 by the end of 2026
- Successfully pass a pre-employment medical including drug and alcohol and colour vision assessment
- Reside within approximately one hour of a Port Waratah site
- Be willing to complete an 18-week Mining and Energy Skills Program in Muswellbrook (accommodation provided)

IMPORTANT APPLICATION REQUIREMENTS

- ✓ Complete all application questions
- ✓ Current/recent school leavers (within the last 2 years) must provide their 2 most recent school reports

**Incomplete applications will not progress.*

We're looking for motivated, reliable people with a positive attitude, commitment to safety, willingness to learn and a team-first mindset.

No trade experience is required—just commitment, curiosity and a willingness to learn

A Diverse & Inclusive Workplace – Port Waratah welcomes applicants from all backgrounds and is committed to creating a workplace built on respect, fairness, belonging and opportunity.
